

HOUSE BILL 1452

By Byrd

AN ACT to amend Tennessee Code Annotated, Title 49,
Chapter 1; Title 49, Chapter 2 and Title 49,
Chapter 6, relative to student assessments.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF TENNESSEE:

SECTION 1. Tennessee Code Annotated, Title 49, Chapter 1, Part 6, is amended by adding the following language as a new section:

After the Tennessee Ready (TNReady) tests and end-of-course examinations have been administered and scored for the 2015-2016 school year, the department of education shall make available to the LEA a report for each student that includes at least seventy percent (70%) of the actual test questions on the examination taken by the student, the student's answer options, and the student's answers. The report shall be available for examination by the student, the student's teacher, and the student's parents or guardian in order to determine the areas, if any, in which the student needs remediation. LEAs shall make the reports, except for answers that are identifiable as the specific answers of an individual student, available for examination by any stakeholder. The department shall provide the report no less than sixty (60) days after the last test is administered.

SECTION 2. This act shall take effect upon becoming a law, the public welfare requiring it.
